Mykhailo Hordiienko

Front-End Developer

Hi! I am a Junior Front-End developer. Looking for an opportunity to start my new career in the most amazing company! I love teamwork and know how to interact with different people. I'm punctual, devoted to my work and my teammates. Know from real experience what a deadline means. I am a person who can be relied upon and who will not run away from difficulties. My strength is that I always achieve my goals. I have sound knowledge of HTML, CSS, JavaScript, and React. Also, I have hands-on experience in following Agile / Scrum methodology when working in a team. I am a fast learner, responsible, and ready for challenging tasks.
